duties and undertake such activities as may be assigned from time to time by the City Council, and which are consistent with the position of City Manager.

Keimach shall receive \$250 each month as an automobile allowance. The allowance is in exchange for Keimach making her personal automobile available for her use for City related business at all times. Keimach will also be entitled to mileage reimbursement at standard rates for trips of over 100 miles taken on City business.

13. MEMBERSHIP DUES

The City shall pay (up to a cap of \$2,500) for the professional dues necessary to ensure Keimach's participation in such programs that enhance both Keimach's standing and the City's reputation, including national, regional, state and local associations and organizations.
